REVERSE GIVING DURING LENT

A list of items the St. Charles Hometown Resource Center is available in the entry & online.

Congregants are asked to put the items in the aisles at church for the children to take up to the altar during the offering time of the worship service.

The background of the entire image is a stained glass design. In the upper portion, there are several large, overlapping leaf shapes made of stained glass in shades of yellow, green, and blue. Below these, the background transitions into a pattern of colorful geometric shapes, primarily triangles and squares, in various colors including green, blue, purple, and yellow. The text is overlaid on this background.
