PASTORAL CALL UPDATE

July 27 Faith Council met with SEMN Synod ELCA

Discussed "the call" process. Pick up a handout in the entry.

Determined a full-time pastor is not budgetarily feasible.

Directed synod to pursue Bridge to Settled model as first choice to secure a pastor and Interim as second choice. Talk to a council member for details on these options.

Synod is in communication with possible candidates interested in a shared ministry who are open to the Bridge to Settled model.

We will not have additional updates until after August 18.
